EXPERIENCE

Web Development Instructor - Galvanize   June 2016- February 2017
- Instructed our 6-month web development immersion course on NEAP stack technologies
- Delivered daily lectures, maintained and created student curriculum, and managed educational standards and objectives in order for students to graduate from our programs as high quality developers
- Worked on Galvanize's client-facing products including (Talent & LMS)
- Pioneered several initiatives to integrate Agile methodological practices into students' capstone projects, which yielded better career placements
- Maintained and updated all of Galvanize's open source code classes on *galvanizejs* & *galvanizeopensource* in Github

Developer Evangelist - Galvanize   February 2016 - June 2016
- Built community and bolstered brand awareness for Galvanize's Austin market launch
- Amassed over 1.5K members in both the *Learn to Code Austin* & *Austin Data Science* meetup groups which helped to drive community growth, site traffic, and overall interest to our programs
- Built and maintained the Alumni network for all our graduating students in Austin

Software Engineer - American Express   February 2015 - February 2016
- Performed hands-on software development & testing on the Smart Offer platform (AMEX Offers)
- Functioned as a core member of an agile team, driving user story completion & analysis, design & development of software applications, and testing
- Demonstrated experience with object-oriented design and build automation tool optimization
- Created a retrospective tool called, *True-Story* that empowered team members to give anonymous feedback during retrospective ceremonies

Production Coordinator - LivingSocial   October 2012 - March 2014
- Managed and coordinated communication for production lifecycle process for 60+ deals on a weekly basis including national and Amazon accounts. Compiled creative elements, design reviews and quality assurance for each promotion
- Facilitated mostly domestic markets but also French-speaking Montreal markets which require French translations and conversation to maintain business development

Boatswain Mate Petty Officer - United States Coast Guard   June 2008 - June 2014
- Organized unit-wide training presentations, facilitates nautical rescue, tactical boat handling, medical, and boarding officer drills and maintains combat-ready vessels

COMMUNITY

- Creator of *the512streaker.com* - A lifestyle blog that focuses on accomplishing goals by means of completing an action consecutively for 365 days straight
- Mentor at SXSW 2017
- Member of Veterans Who Code meetup group
- Traveled & lived to over 22 countries, speaks French
- Eagle Scout
